27. List of Board Meetings and Attendance

Meetings are scheduled monthly as necessary (the Corporation is presently very limited in its operations as noted previously).

28. Board Performance Evaluations

All Directors attended 75% or more of scheduled Board meetings. Committee operations were limited given the Company's limited operations. All directors participated in executive director search and interviews.

29. Description of Assets and Services Bought or Sold Without Competitive Bidding

Accounting services were not competitively bid because the Seneca Falls Development Corporation is familiar with Judith Selover, who handled the corporation's 2019 and 2020 audits. She has a wealth of information that goes into preparing our accounting/audit, and given that the organization's financial activities were very limited in 2021, the Board believed it prudent to retain this auditor. The audit cost is in line with audits of similar size organizations.

Insurance policies are obtained from local insurance agencies with access to several companies that provide the coverage required. The Agencies provide a summary of quotes from several companies, and the lowest price with the appropriate coverage is selected.

The choice of agency is not competitively bid as all local agencies have the same access to insurance companies and obtain the same prices for coverage required. The same agency is used each year as they are familiar with the coverage required for the Corporation.

30. Description of Material Pending Litigation

None.

31. Compliance and Other Matters

Compliance reports for the year ending December 31, 2021 are available on the SFDC website.
